## Table of Contents

1.	Adding new language.....	2
2.	Remove language .....	3
3.	Enable / Disable language.....	3
4.	Adding Language Text .....	4

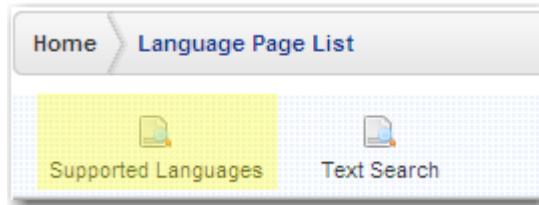

## 1. Adding new language

To add new language in VeoCart, please login to VeoCart admin panel.

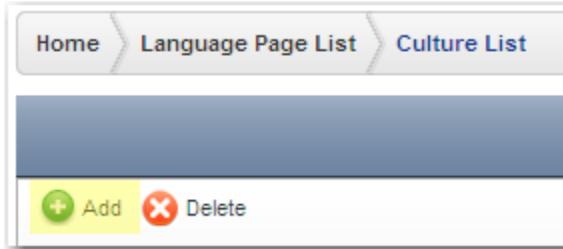

- 1) Go to tab “Setting” choose “Language” menu.

- 2) Choose “Support Languages” button

- 3) Click “Add” button

- 4) Enter Information and click “Add Culture” button

\* Required fields

Culture Code	Select Culture *
Full Name	
Display Name	
Copy Language Keywords From	English
Enabled	<input checked="" type="checkbox"/>
<input type="button" value="Add Culture"/>	

- 5) After add new language, you will see your language in “Culture List” page.

Home > Language Page List > Culture List

Filter by: (Show All)

Add Delete

Page: 1 of 1 pages | view 20 per page

ID	Name	Display Name	Enabled	Edit
1	en-US	English	True	
2	th-TH	Thai	True	
3	zh-CN	Chinese	True	
4	nl-NL	Dutch	True	
5	el-GR	Greek	True	

## 2. Remove language

In “Culture List” page, check the checkbox in front of language and click “Delete” button.

## 3. Enable / Disable language

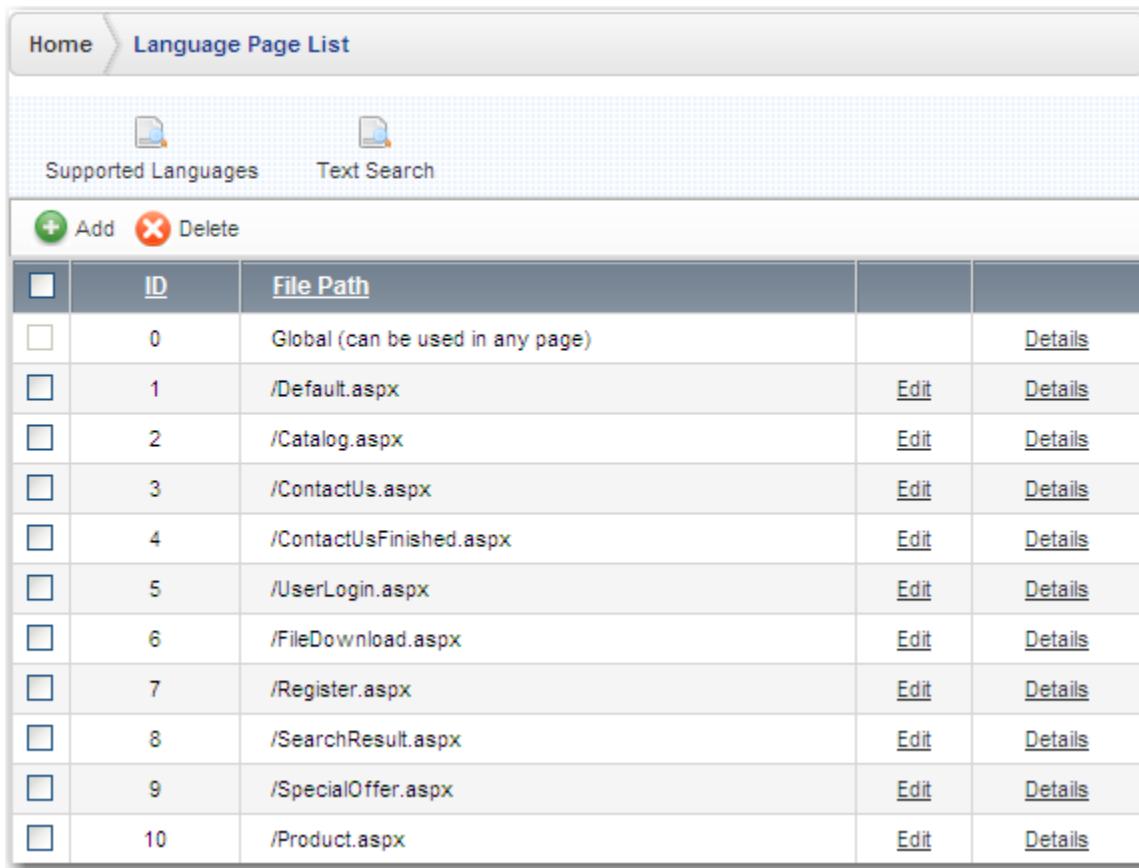

In “Culture List” page, click “Edit” button and uncheck “Enable” setting then click “Update Culture” button

Please note that the language dropdown in storefront will not display the languages that are disabled.

## 4. Adding Language Text

VeoCart used language text in storefront for display multiple languages. You can define new language text parameter by insert [\$mytext] in the code.

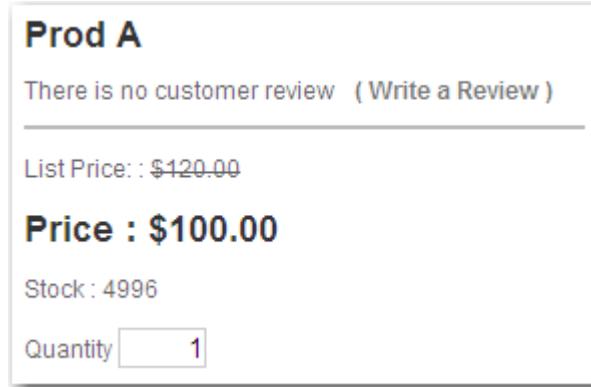

If the language parameter of selected culture in language dropdown doesn't exist in language text list, storefront will use text from default language for display in storefront.

The screenshot shows a web-based administration interface titled "Language Page List". At the top, there are two buttons: "Supported Languages" and "Text Search". Below the buttons, there are two main sections: "Add" (with a green plus icon) and "Delete" (with a red minus icon). The main area is a table with columns: "ID", "File Path", and "Edit" and "Details" links for each row. The rows represent various pages in the application, such as Default.aspx, Catalog.aspx, ContactUs.aspx, etc.

ID	File Path	Edit	Details
0	Global (can be used in any page)		<a href="#">Details</a>
1	/Default.aspx	<a href="#">Edit</a>	<a href="#">Details</a>
2	/Catalog.aspx	<a href="#">Edit</a>	<a href="#">Details</a>
3	/ContactUs.aspx	<a href="#">Edit</a>	<a href="#">Details</a>
4	/ContactUsFinished.aspx	<a href="#">Edit</a>	<a href="#">Details</a>
5	/UserLogin.aspx	<a href="#">Edit</a>	<a href="#">Details</a>
6	/FileDownload.aspx	<a href="#">Edit</a>	<a href="#">Details</a>
7	/Register.aspx	<a href="#">Edit</a>	<a href="#">Details</a>
8	/SearchResult.aspx	<a href="#">Edit</a>	<a href="#">Details</a>
9	/SpecialOffer.aspx	<a href="#">Edit</a>	<a href="#">Details</a>
10	/Product.aspx	<a href="#">Edit</a>	<a href="#">Details</a>

- 1) Check the page that you need to add new language such as "RatingCustomer.ascx"

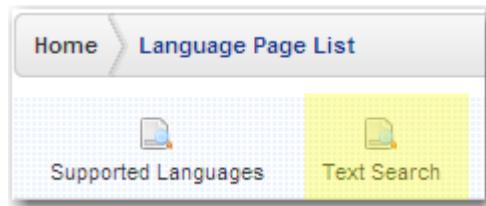

The screenshot shows a product detail page for "Prod A". The page includes a heading "Prod A", a review section stating "There is no customer review (Write a Review)", a price section showing "List Price: \$120.00" and "Price : \$100.00", a stock level of "Stock: 4996", and a quantity input field set to "1".

- 2) Find the page in File Path column then click "Detail" button

<input type="checkbox"/>	1013	/Components/ProductBestSelling.ascx	<a href="#">Edit</a>	<a href="#">Details</a>
<input type="checkbox"/>	1015	/Components/RatingCustomer.ascx	<a href="#">Edit</a>	<a href="#">Details</a>
<input type="checkbox"/>	1017	/Components/RelatedProducts.ascx	<a href="#">Edit</a>	<a href="#">Details</a>

Or you use "Text Search" button then click "Edit" button

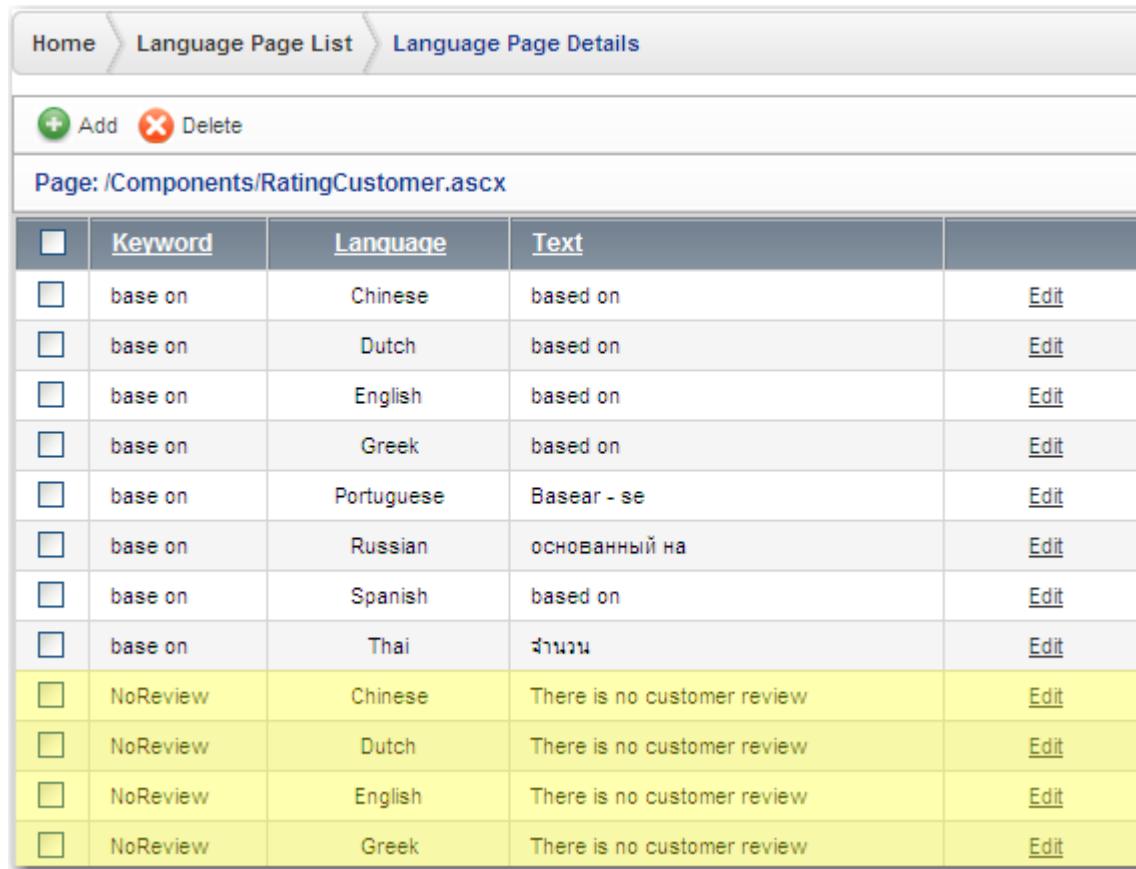

A screenshot of the 'Keyword And Text Search' interface. It features a search bar with 'Search' and 'Text' dropdown fields, and a language selection dropdown labeled '(All)'.

A screenshot of the 'Language Page List' interface showing a search result for the keyword 'There is no customer review'. The results are displayed in a table with columns: File Path, Keyword, Language, and Text. The table shows five rows, each corresponding to a different language: English, Chinese, Dutch, Greek, and Spanish.

	File Path	Keyword	Language	Text	
<input type="checkbox"/>	/Components/RatingCustomer.ascx	NoReview	English	There is no customer review	<a href="#">Edit</a>
<input type="checkbox"/>	/Components/RatingCustomer.ascx	NoReview	Chinese	There is no customer review	<a href="#">Edit</a>
<input type="checkbox"/>	/Components/RatingCustomer.ascx	NoReview	Dutch	There is no customer review	<a href="#">Edit</a>
<input type="checkbox"/>	/Components/RatingCustomer.ascx	NoReview	Greek	There is no customer review	<a href="#">Edit</a>
<input type="checkbox"/>	/Components/RatingCustomer.ascx	NoReview	Spanish	There is no customer review	<a href="#">Edit</a>

- 3) In “Language Page Detail”, you will see keyword that you need to add your language

The screenshot shows a web-based application for managing language translations. At the top, there's a breadcrumb navigation: Home > Language Page List > Language Page Details. Below this is a toolbar with 'Add' (green plus icon) and 'Delete' (red minus icon) buttons. The main area is titled 'Page: /Components/RatingCustomer.ascx'. A table lists keyword translations:

	Keyword	Language	Text	Action
<input type="checkbox"/>	base on	Chinese	based on	<a href="#">Edit</a>
<input type="checkbox"/>	base on	Dutch	based on	<a href="#">Edit</a>
<input type="checkbox"/>	base on	English	based on	<a href="#">Edit</a>
<input type="checkbox"/>	base on	Greek	based on	<a href="#">Edit</a>
<input type="checkbox"/>	base on	Portuguese	Basear - se	<a href="#">Edit</a>
<input type="checkbox"/>	base on	Russian	основанный на	<a href="#">Edit</a>
<input type="checkbox"/>	base on	Spanish	based on	<a href="#">Edit</a>
<input type="checkbox"/>	base on	Thai	ฐานะ	<a href="#">Edit</a>
<input type="checkbox"/>	NoReview	Chinese	There is no customer review	<a href="#">Edit</a>
<input type="checkbox"/>	NoReview	Dutch	There is no customer review	<a href="#">Edit</a>
<input type="checkbox"/>	NoReview	English	There is no customer review	<a href="#">Edit</a>
<input type="checkbox"/>	NoReview	Greek	There is no customer review	<a href="#">Edit</a>

- 4) Click “Add” button

The screenshot shows the same interface as above, but the 'Add' button is highlighted with a yellow background. The rest of the interface remains the same, including the breadcrumb, toolbar, and table of keyword translations.

- 5) Enter the keyword, select your culture and enter your language text then click “Add”

The screenshot shows a modal dialog for adding a new language entry. It has three input fields: 'Keyword' (containing 'NoReview'), 'Language' (a dropdown menu currently set to 'Spanish'), and 'Text' (a large text area with placeholder text '<Your Text>'). An orange 'Add' button is located at the bottom right of the dialog.
